

Location of Valentine Ventures, LLC

550 SW Industrial Way, Bldg 2, Suite 201
Bend, OR 97702
(541) 389-4148

We're located in the Mill Quarter of Bend, connecting the Old Mill with Downtown Bend. Our two story office building is unmistakable for the brick façade and the copper "Valentine Ventures" sign. Parking is available on all four sides of the building, but the parking lot abuts the building on the North and East sides. We're on the second floor, Suite 201 (directly above the Valentine Ventures sign), and can be accessed from either the West or East side of the building.

Please note: We are on the second story of a building that does not have an elevator. If you are unable or unwilling to walk up the stairs on either side of the building, please notify us and we'll arrange for an alternative meeting place, close by.
